Thank you again for being a Champion for this community's vulnerable children!

"As a family-owned, family-run company, Strassburger Windows and Doors understands the importance of having a helpful supportive family for children.

Sadly, there are children in this community who do not have the benefit of involved parents. This is why we feel strongly about making our philanthropic investments into programs and services to support vulnerable kids, ensuring they have every opportunity for success!"

- Bob Strassburger, Tree of Hope Champion since 2000. Shown here with Kim Strassburger, FCSF President, Rick Skehan, and Dana Strassburger.
