"Don't tell me Children's Aid isn't effective! I remember a young girl who'd been with us two years when one of my sons referred to her as 'his sister.' She ran sobbing into the kitchen and hid under the table. I got under there with her. She felt like she'd never belonged anywhere—ever. Today, this young woman has a stack of awards and volunteers in Tanzania, Trinidad and Ghana. She's determined to give back."
