

Imagine a place where kids can explore their interests, make new friends, learn new skills, and have fun. A place where they can escape the challenges of their everyday lives and just be kids.

# That place is **SUMMER CAMP**

**THERE ARE 300  
KIDS READY TO  
GO TO CAMP!**

**YOU** can make it happen.

**HOST A FUNDRAISER OR MAKE A DONATION TO SEND A KID TO CAMP**

We have a wide variety of ways you can support sending kids to camp. Whether it is online fundraising or hosting a Tip Tap Pay machine at your office or making a gift to the Kids to Camp Fund, there is something for every workplace. Camp is a life-changing experience that can have a lasting impact on a child's development, well-being, and future.
