

HOLIDAY SUPPORT

You can make the season brighter for children, youth and families in Waterloo Region at this time of year through your participation in giving to the Holiday Support Program.

5 EASY STEPS

Register - Sign up online as a donor

Get matched - you will be matched by November 25 at the latest*

Shop - for every family member you wish to support, provide a \$25 grocery gift card and a gift(s) with a suggested value of \$75 (Supporting a family of 3 would require \$75 in grocery cards and gifts with a value of \$225 for a total of \$300)

Drop off - between December 3-14 bring the unwrapped gifts and gift cards to The Family Centre or Cambridge office

Feel Good - Your generosity means that the children, youth and families we serve will enjoy the magic of the holiday season. They will also know that you, a person they have never even met, cares about them. That caring and kindness shown by a stranger is a remarkable gift that gives beyond the holiday season.

** In the event that we have more donors than families or youth, you will receive an email by November 25 outlining other opportunities to provide much needed support to local children and families.*

OTHER SUPPORTS

Looking for some other ideas to support children and families?

- You can purchase gift cards to provide support to families new to the Agency after the matching program closes.
- You can purchase much needed items from our Foundation wish list for year-round support to families such as diapers, developmental toys, family games, or puzzles.
- You can make a donation to give a child the life-changing opportunity to go to summer camp or support innovative, resilience-building arts and music programming.
