

ARE YOU OUR NEXT BOARD MEMBER?

Give us a call today!

Bridges to Belonging exists to affirm the inherent dignity and worth of people living with disabilities. We walk with them and their families to overcome social isolation, live free of barriers to inclusion, build a network of unpaid supportive relationships, and fully participate in their community as citizens with a sense of belonging.

Members of our Board of Directors are passionate leaders dedicated to social justice and citizenship for all people with a variety of skills, gifts, and lived experiences to provide valuable oversight and strategic direction to guide our organization.

If you are an advocate for the absolute rights, inherent value, and full citizenship of people with disabilities; believe that people and families are the best authority of their needs and services, recognize the abundance of the community as a resource and meaningful relationships as "bridges to belonging," we want to hear from you.

We are seeking people with the following skills, gifts, and experience to enrich the Board of Bridges to Belonging :

- Community Engagement
- Fund Development
- Finance
- Human Resources
- Marketing
- Your Unique Gifts
